

The Nocturnal

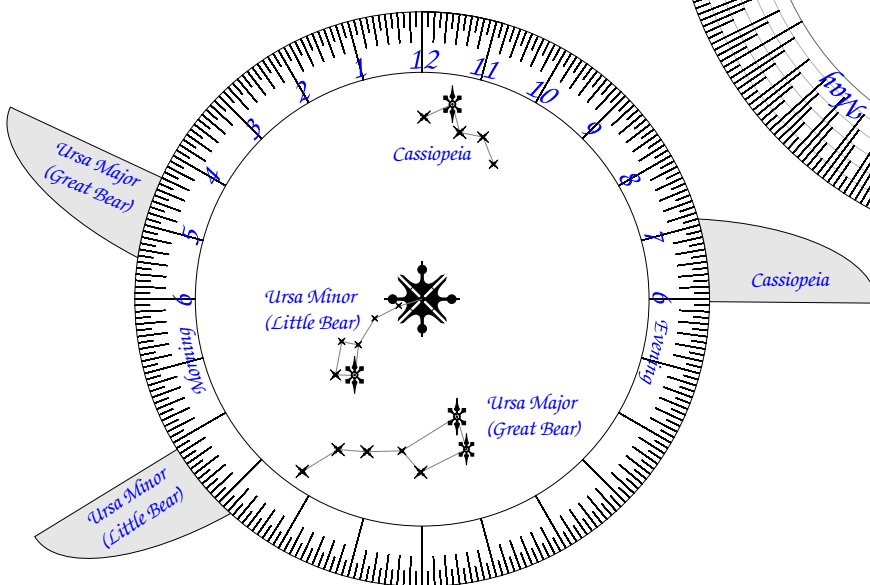

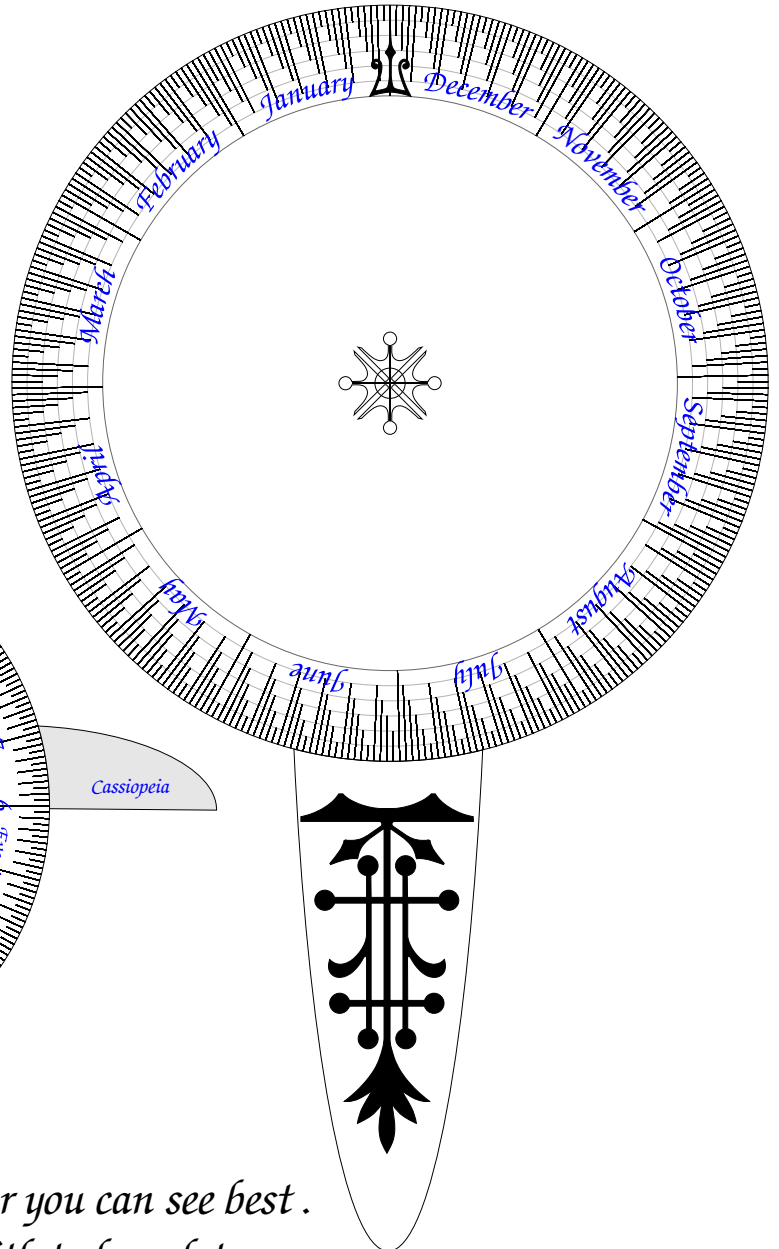

To Make

- ✦ Cut out the three pieces below
- ✦ Rivet together pieces as shown:~
- ✦ Ensure rivet is hollow so that you can see through the middle

Note

This Nocturnal is drawn using our calendar and a time. In Hexult, they could build much simpler ones, as long as they were the same as each other.

To use

- ✦ Choose whichever reference star you can see best .
- ✦ Align the appropriate tooth with todays date.
- ✦ Hold away from you, upright by the handle
- ✦ Sight the North star through the hole in the middle
- ✦ Turn the pointer to line up with the reference star
- ✦ Read off the local time
